IMPORTANT: In an effort to meet the developmental needs for each camper, we will be dividing the campers in cabins so that they are no more than one grade level apart. We would like to ensure that a camper who just finished 2nd grade is not in the cabin with campers who have finished 6th grade. This will allow us to talk with each group on their own level during Bible Study, low ropes, devotions, etc.

For Girl's & Student's Missions Camps we will allow groups of 3 girls to be together as long as all three request this arrangement. It is very important to mark those who would like to room together. Changes **CANNOT** be made at the registration desk at camp.
